## Achievements in the implementation of project activities – PP3

- *A.T1.2 2 open air workshops for landscape architecture students in the manor parks: 2 joint open air workshops (2 days each) for LV and LT landscape architecture students in the manor parks will be organized.*
- Open air workshop in Žagare (Lithuania) and Eleja (Latvia) organized on the 21st-23rd of September 2020. According the situation of Covid-19 communication between Latvian and Lithuanian partners organised online. Students from Lithuania and Latvia got acquainted with the life history and work of dendrologist G. F. F. Kuphaldt, the history, development and visions of Eleja and Žagare manor parks. Latvian students visited Eleja manor park, Lithuanian students – Žagare manor park. During other days of workshop students prepared sets of practical proposals for the installation of an interactive exposition.
