## *Aizupe Elementary School*

## **Aizupe School Vision is:**

Creative, collaborative teachers team, which is responsible activity between pupils at school in the centre of education and culture with materially technically and estetically provided environment.

## **Aizupe School Mission is:**

To establish educational environment, to organize and implement an educational process, which provides achievements of a basic education creating a competitive personality.

## **Aizupe Elementary School is Eco school since 2006.**

### **In 2009 school received a title of Mammadaba Embassy.**

In parallel to a learning process a several interest educational programmes are implemented at school, where pupils can act according to their interests and develop their talents.

School team takes part in several projects, competitions, such organization activities as Green Point, Green Belt competition, and ERASMUS+ project.

School takes part in the projects „Health Promote School” and „Friendly School”.

School has its own support union „Aizupīte”.

School has volunteer multi group—4H.

## **Pupils achievements**

Our school consists of 30 teachers and 219 pupils.

Every year our pupils take part in several competitions and olympiads.

In school year 2018/2019 pupils participated in Maths, Music, English olympiads, also in Visual Arts, Geography and History competitions as well as Stage Speech competition.

33 pupils have achieved brilliant results in sports competitions: 1st, 2nd and 3rd place.
