From 8 to 10 May 2019, the 3-day participatory visit to Jelgava (Latvia) was carried out as part of the Erasmus+ project:

“TOLERANCE AND QUALITY INCLUSIVE EDUCATION IN SCHOOL” (“TOLERANCIA Y EDUCACIÓN INCLUSIVA DE CALIDAD EN LAS ESCUELAS”)

Agreement number: 2018-1-LV01-KA201-046963

Representatives from 3 different entities have attended the second learning activity of the project, which has been hosted by Svete Elementary school. During this mobility, participants could learn the best practices of the Latvian school through classroom observation and different presentations (for example on developing child's skills and promoting emotional well-being through Marte Meo method). They also visited another Latvian center: Šķibe Elementary School.

On the other hand, Spanish and Polish participants offered a lecture on Montessori method and Emotional Management for Latvian teachers.
