Interreg V-A Latvia – Lithuania Programme 2014-2020

Sustainable Integration of Novel Solutions into Cultural Heritage Sites

NovelForHeritage LLI-444

21.12.2021

T1 Implementation

- **T.1.Gathering, exchange and development of knowledge** for the integration of contemporary concepts, forms and content into cultural heritage and nature sites - manor parks
- Period – 07.2020-02.2021
- WP includes measures for acquisition of the existing and development of new knowledge, competencies and elaboration of tools necessary for increase of the attractiveness of the two involved manor parks. It will be achieved through:

Activities	Done	Partly done	Planned
a) joint expedition to other G.Kuphaldt projected parks un gardens,		x	
b) research of information and knowledge of G.Kuphaldt heritage,		x	
c) organisation of open air workshops for development of new concepts, solutions, ideas,	x		
d) development of a handbook about management of manor parks and other green areas.			x

T1 Implementation

- T1.1.**Expedition** to cultural heritage and nature objects (sites) projected by G.Kuphaldt in Latvia, Lithuania and Estonia – 1
- Period - 07.2020-10.2020
- Joint 4 days expedition to G.Kuphaldt projected and/or developed parks and gardens in Latvia, Lithuania and Estonia.
- In April - May proposal for expedition – Latvia-Lithuania
- Publication done

- T.1.5. **Research of historical materials** and knowledge on G.Kuphaldt parks and gardens and creation of the set of materials
- Period - 07.2020 - 02.2021
- Heritage of G.Kuphaldt - knowledge, approaches and methods used in planning, development and management of parks and gardens is a treasury still widely applied in sites initiated and/or developed by this significant landscape architect, as well in other parks and gardens developed later in the Programme area, other locations in both countries and elsewhere in Europe.
- Two publications in popular LV and LT journals on architecture or parks gardening about both manor parks, their concept and further planned developments (Feb 2021)
- Research materials will be delivered in digital version (we still need nowadays photos from parks)

T1 Implementation

- T1.2. Two open air **workshops** for landscape architecture students in the manor parks
- Period - 07.2020-10.2020
- Two joint open air workshops (2 days each) for LV and LT landscape architecture students in the manor parks will be organised. It is foreseen to have from 30 to 40 participants in the each workshop, where 15-20 students per country will take part: landscape architecture students of PP2 LLU (LV) and students from Lithuania.
- Done in both parks - Eleja and Zagare
- Publications done

T2 Implementation

- T.2.2.Development of joint visual-textual **educationally-informative material** (booklet/brochure) on Eleja and Žagare cultural heritage and nature sites and G.Kuphaldt heritage
- Period - 10.2020-07.2021
- Joint visual-textual educationally-informative material (booklet/brochure) on Eleja and Žagare cultural heritage sites – manor parks and G.Kuphaldt heritage will be elaborated as promotional material to be used for dissemination and presentation of sites joint thematic, target groups and services offered.
- Question –
 - One booklet in one language (250 x4)
 - Or one booklet in 4 languages (1000)

T3 Implementation

- T.3.2. Two wide-format **seminars** for landscape architects, cultural heritage and nature sites managers, researchers, historians, artisanal (gardeners)
- Period – 06.2021-09.2021
- Wide-format seminars for tourism professionals, landscape architects, cultural heritage and nature sites managers, researchers, historians, artisans (gardeners) one in Eleja, one in Zagare.
- Done!
- Need publication!
