29	30	31	1	2	3	4

AGRI-URBAN vision is to lead a growing movement of European medium-sized cities, committed in a common goal of rethinking agri-food production in Europe, promoting this way employment and job creation, along with competitiveness in the agri-food value chain.

2017 Best wishes for better cities

FEBRUARY

ABERGEVANNY

(MONMOUTHSHIRE, WELSH, UNITED KINGDOM)

SU	MO	TU	WE	TH	FR	SA
29	30	31	1	2	3	4
5	6	7	8	9	10	11
12	13	14	15	16	17	18
19	20	21	22	23	24	25
26	27	28	1	2	3	4

Abergavenny, renowned for its great food festival, is a place that connects our culture, cuisine and community. A place where that transforms our local food system so that all citizens have access to good local food - good food for people's health, good food for the planet and good food for social justice - produced at a fair price for farmers and producers and consumers.

MARCH

MARZO
(BAENA, SPAIN)

SU	MO	TU	WE	TH	FR	SA
26	27	28	1	2	3	4
5	6	7	8	9	10	11
12	13	14	15	16	17	18
19	20	21	22	23	24	25
26	27	28	29	30	31	1

Baena succeeds in collectively creating a local food system based on the proximity relationship between producers and consumers, facilitating a training and entrepreneurship structure capable of producing good, healthy and fair food, guaranteeing food security and access for neighbours.

APRIL

APRILE
(CESENA, ITALY)

SU	MO	TU	WE	TH	FR	SA
26	27	28	29	30	31	1
2	3	4	5	6	7	8
9	10	11	12	13	14	15
16	17	18	19	20	21	22
23	24	25	26	27	28	29
30	1	2	3	4	5	6

An enhanced and strengthened agrifood district for the city of Cesena where all the excellence and the skills can work in an integrated system and cooperate together reaching a more respectful approach to the land, a closer relationship with people and a higher quality of the products.

MAY

MAIO
(FUNDAO, PORTUGAL)

SU	MO	TU	WE	TH	FR	SA
30	1	2	3	4	5	6
7	8	9	10	11	12	13
14	15	16	17	18	19	20
21	22	23	24	25	26	27
28	29	30	31	1	2	3

Fundão is an example on the valorization of its excellent endogenous resources. Always aiming for the local creation of value, richness and employment, the cherry on the top of the cake is the implementation of an agrifood local system that enables a sustainable community with nutritional balance and where economic and social gains are harvested from the best that the land gives.

A land where you eat well... A land where you live even better...

JUNE

JŪNIJS

(JELGAVA LOCAL MUNICIPALITY, LATVIA)

25	26	27	28	29	30	1

Jelgava Local Municipality, best
place for implementation of
entrepreneurship ideas!

JULY

JUILLET

(LAG PAYS DE CONDRUSSES, BELGIUM)

SU	MO	TU	WE	TH	FR	SA
25	26	27	28	29	30	1
2	3	4	5	6	7	8
9	10	11	12	13	14	15
16	17	18	19	20	21	22
23	24	25	26	27	28	29
30	31	1	2	3	4	5

A sustainable territory where the actors involved in short channels develop a holistic system that create jobs, preserve the soils and improve the health of people.

AUGUST

AGOST
(MOLLET DEL VALLÈS, SPAIN)

SU	MO	TU	WE	TH	FR	SA
30	31	1	2	3	4	5
6	7	8	9	10	11	12

20	21	22	23	24	25	26
27	28	29	30	31	1	2

To connect the rural and urban areas of Mollet del Vallès aiming to create jobs and stimulating the local economy while seeking a more sustainable way of feeding our citizens. Gallecs (the rural area) has become our beacon for healthy habits promotion and in the future it also has to become a pillar for local economic development.

SEPTEMBER

SEPTEMBRE
(MOUANS-SARTOUX, FRANCE)

SU	MO	TU	WE	TH	FR	SA
27	28	29	30	31	1	2
3	4	5	6	7	8	9
10	11	12	13	14	15	16
17	18	19	20	21	22	23
24	25	26	27	28	29	30

A circular expansion loop for food self-sufficiency for all: a connexion between the land, organic, local and sustainable agrifood systems, successful local farmers establishment and community gardens

OCTOBER

LISTOPAD
(PETRINJA. CROATIA)

SU	MO	TU	WE	TH	FR	SA
1	2	3	4	5	6	7
8	9	10	11	12	13	14
15	16	17	18	19	20	21
22	23	24	25	26	27	28
29	30	31	1	2	3	4

Retention of the population providing opportunities for new employment, by valorization and smart use of local natural resources, improving the knowledge and skills to produce healthy food with aim to develop a sustainable agri-food sector.

The new global mood is to eat healthy local food.

NOVEMBER

NOEMBPIOΣ
(PYLI, GREECE)

SU	MO	TU	WE	TH	FR	SA
29	30	31	1	2	3	4
5	6	7	8	9	10	11
12	13	14	15	16	17	18
19	20	21	22	23	24	25
26	27	28	29	30	1	2

Our vision from Pylı to create opportunities to "convince" well trained young people to return to their homeland and get involved with promising activities.

With a little help from AGRI-URBAN project we hope to enable them to use their special skills and training on land cultivation, forest utilization, beekeeping, tourism activities etc. Create a land for prosperous future.

DECEMBER

DECEMBER
(SÖDERTÄLJE, SWEDEN)

SU	MO	TU	WE	TH	FR	SA
26	27	28	29	30	1	2
3	4	5	6	7	8	9
10	11	12	13	14	15	16
17	18	19	20	21	22	23
24	25	26	27	28	29	30
31	1	2	3	4	5	6

A city that is intimately connected to the land and systems that sustain it. By valuing our natural and land resources, seeing the great potential in our residents - both new and old - and deeply understanding our context, Södertälje has become the centre of the green economy in Scandinavia. Our thriving local economy creates jobs, quality of life and beautiful landscapes to enjoy.
