C2, C3, C4, C5 AND C6 MOBILITIES

C2 mobility to Romania

May 1.-8, 2022

- May 1st on our way for our first mobility to Romania.
- A new adventure by travelling in Europe.
- Five students and two teachers.
- Travelling by car, bus and airplane.
- Experiencing delays and long travel days.
- Meeting host families after midnight because of delays.

Day 1 in Arad, May 2nd 2022

- The day started with a welcome to the country and the school.
- Students had activities during the day
- After lunch at school there was a guided tour in Arad both for students and teachers.
- Very welcoming day in Arad

- In the morning there were activities in the morning. Recycling.
- After lunch at school there was a visit to the Botanical garden in Macea.
- Guided tour around the garden.
- It was very warm for the Icelandic students.

**Day 2 in Arad,
May 3rd 2022**

Day 3 in Arad, May 4th 2022

- Excursion day, visiting the Lunca Mureș National Park with activities and a bicycle ride.
- Ending the day with a good meal and good fun together.

Day 4 in Arad, May 5th 2022

- Excursion day. Travelling to explore Turda Salt mines.
- Bus ride and new experiences.
- Wild experience with fun and knowledge.

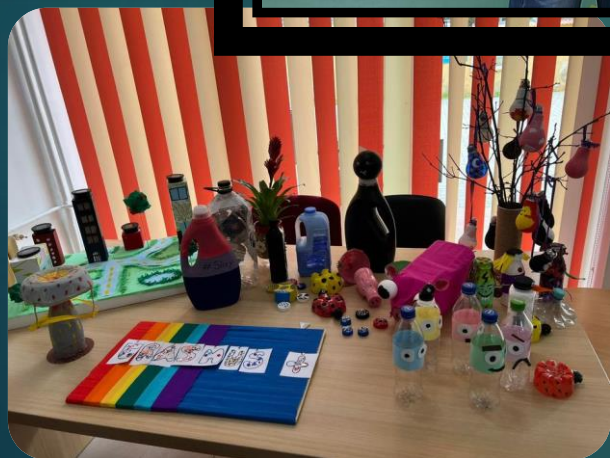

Day 5 in Arad, May 6th 2022

Last day

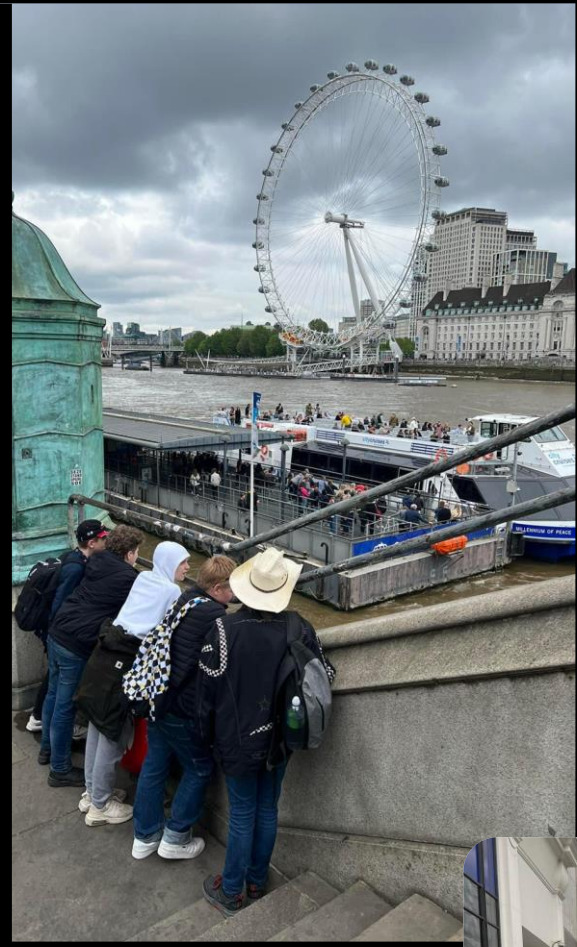

- Activities in school.
- English competition
- Handing out certificates
- Lastly a party in the evening to say farewell.

May 7th 2022

On our way home

- Leaving Arad and host families
- Stop in London
- Almost everyone arriving home
- May 8th final arrival home for those who got stuck in London for an extra night

Reflection about Romania

- I found the trip to the Turda Salt mines the most interesting activity on my trip. But it was surprising to see and witness the cultural differences also.

Tómas Orri Harðarson

- The wood was different than I am used to. That is a challenge. I will however always have great memories from Romania and my hostfamily.

Andri Hill Gíslason

- I found out that I was better in English than I thought I was and now it is easier to speak to other people. I also realized that Romania is a great and beautiful country.

Sigurður Örn Davíðsson

- I learned so much about the nature and recycling. This was a very good experience that I think everyone should have.

Hermann Heiðar Jakobsson

C3 mobility to Portugal

September 18th-25th 2022

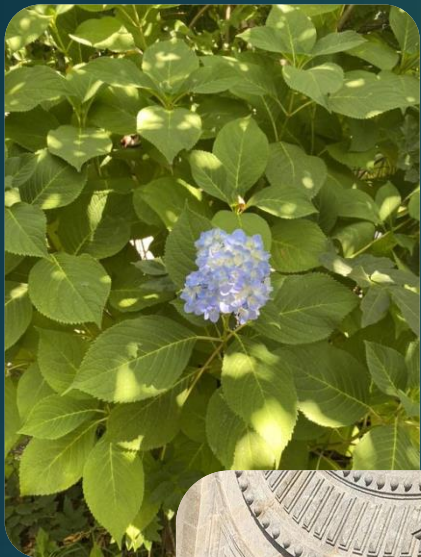

- Second mobility for Icelandic partners
- Six students and two teachers
- Flying to Portugal via Paris France
- Visiting France for a moment on the way
- Arriving to Portugal
- Meeting hostfamilies

Day 1 at Ponto de Lima, September 19th 2022

- Greetings at school with song and dance
- Sightseeing around Ponto de Lima
- Lunch at school
- Time with host families

Day 2 at Ponto de Lima, September 20th 2022

- Workshops at school – Printing Nature
- Lunch at school
- Visiting Área de Paisagem Protegida das Lagoas de Bertand os e S.Pedro
- Overnight stay at the farm and looking at stars

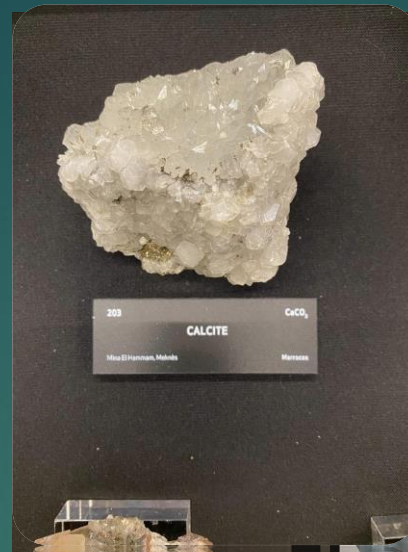

Day 3 at Ponto de Lima, September 21st 2022

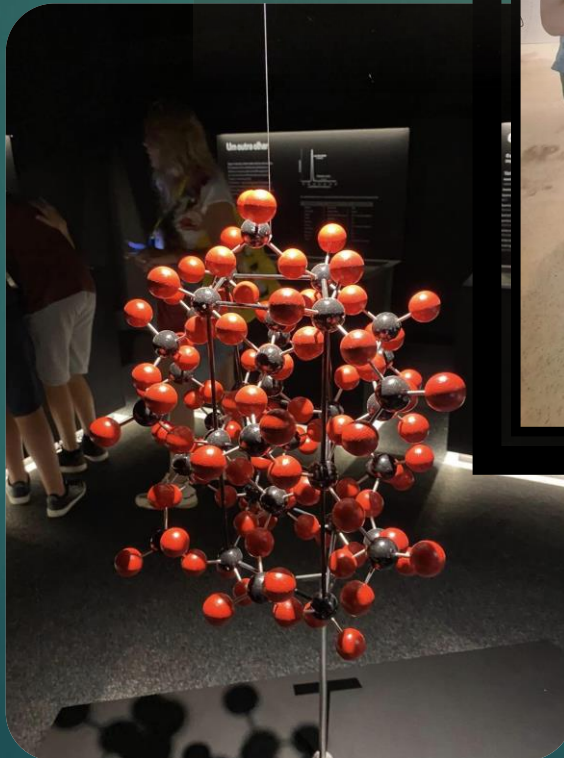

- Visit to Viana do Castelo Geopark
- Fun and interesting day near the beach
- Nature activities

Day 4 at Ponto de Lima, September 22nd 2022

- Excursion to Oficinas do Padre Himalaya and Porto do Mesio
- Science activities were students had much fun and new experiences

Day 5 at Ponto de Lima, September 23rd 2022

- Workshops
- Sports activities
- Learning about fertilizer and pollution
- Certificates handed out
- Good buy party before saying farewell to hostfamilies

September 24th 2022, Journey back to Iceland

- Flying from Porto to Paris France
- Just about to board for Iceland when flight was cancelled because of bad weather
- Staying for an extra day in Paris
- Finally landing in Iceland on the 25th of September

Reflection about Portugal

- Surprising how much I learned about myself. I will always remember this visit to Ponte de Lima

Dagný Eyjólfsdóttir

- I wanted to better my English and this experience helped me to be better. Most interesting was the difference of the nature between Portugal and Iceland.

Birna Lind Hafdísardóttir

- Most interesting was when the astronomist told us about the stars and showed us Jupiter.

Steinunn Bjarnveig Eiríksdóttir

- I found every place we went to and everything I saw very special and exciting. I would recommend this for other teens.

Ólöf Sesselja Kristófersdóttir

- I would so recommend this experience for everyone. It is difficult but very educational. Most interesting was to learn to know the culture.

Vigdís Narfadóttir

- I was excited to meet new people and benefit by doing something out of my comfort zone.

Sædís Myst Suarez

C4 mobility to Spain

November 20th-26th 2022

- Third mobility to Spain
- Five students and two teachers
- Landing in Malaga and driving to Roquetas de Mar
- Meeting host families

Day 1 in Roquetas de Mar, November 21st 2022

- Welcome to school and tour around town
- Workshops for students and teachers
- Getting to know each other

Day 2 in Roquetas de Mar, November 22nd 2022

- Visit to Plataforma Solar de Almeria
- Travel to Lucainena de las Torres, guided tour of the mines
- Excursion day

Day 3 in Roquetas de Mar, November 23rd 2022

- Workshops about recycling, the 3 R's
- Going to Kimitec to learn more science

Day 4 in Roquetas de Mar, November 24th 2022

- Trip to Vaco de Gata natural park
- The Photo Challenge
- The farewell party in the evening

Day 5 in Roquetas de Mar, November 25th 2022

- Walk to the Punta Entinas Sabinar Natural Park
- Workshops

**Travel day, home to Iceland,
26th of November 2022**

- Leaving Roquetas de Mar
- First trip back that had no problems for the Icelandic group
- Landed in the Northern lights which we enjoyed on our way to Borgarfjörður

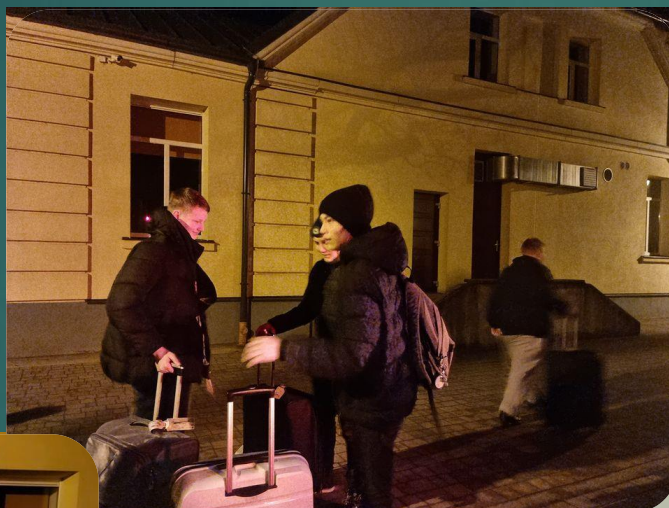

Reflection about Spain

- So much to experience. New traditions, the nature and using another language. The biggest result for me was better social skills and I fully recommend this for other students.
- ***Kristján Karl Hallgrímsson***
 - I loved this trip. We had many new things to see. I would tell other students to try this if they can.
 - ***Hlynur Blær Tryggvason***
 - I loved this. New friends, other kind of school work and travelling with my friends.
 - ***Ernir Daði Arnberg Sigurðsson***
- I found it interesting to have this opportunity to learn about other culture than Icelandic. It was hard to be in this much sun but I see this as opportunity for me to learn new things. But the nature was very different but interesting to me.
- ***Guðmundur Heiðar Eyjólfsson***
 - This was a great thing to do. I will remember this for a long time. Meeting new people and staying in a new country.
 - ***Símon Bogi Þórarinnsson***

C5 mobility to Latvia

March 19th-25th 2023

- Fourth mobility for the Icelandic group
- Four students and two teachers
- Landed in Riga and went to Jelgava
- Meeting host families

- Welcoming to school
- Team building, workshops with group activity and presentations

Day 1 in Jelgava
March 20th 2023

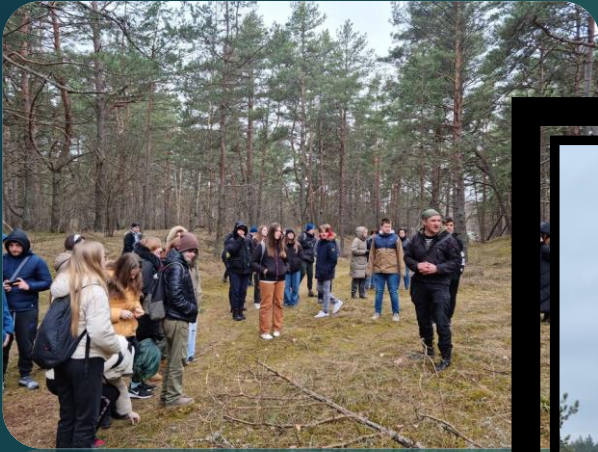

Day 2 in Jelgava March 21st 2023

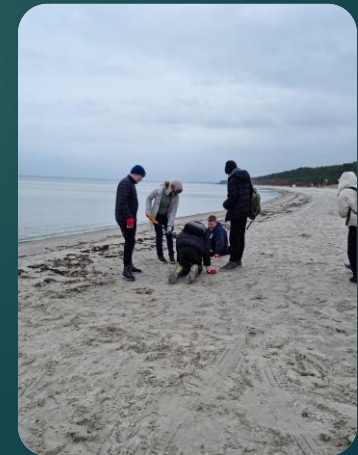

- Learning about birds and making a musical instrument
- Visiting Tervete park
- Spending time with host families and going to lazer tag

Day 3 in Jelgava

March 22nd 2023

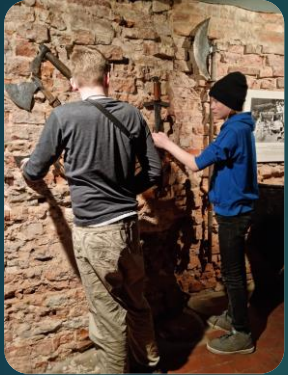

- Going to Kemerī National Park
- Knowledge about natural resources of Latvia
- Long walk through a big area of bogs
- Learning about wild greeneries

Day 4 in Jelgava March 23rd 2023

- Turaida museum about history
- Safari Park, animal watching
- At the end of the day a good bye party with our fellow students where Icelandic students had a great time

Day 5 in Jelgava March 24th 2023

- Visiting Riga
- Riga Zoo
- Making birdhouses and animal houses
- Receiving of certificates
- Last night with host families

March 25th 2023, Trip back to Iceland

- Leaving Jelgava
- Going to Riga
- Flying to Copenhagen
- Coming home to Iceland with good memories and new friends

Reflection about Latvia

- I had the best time learning new things and having the experience in a new country.
- **Alex Þór Gíslason**
- I learned so much going on this trip. How to take care of my money better. I found it most interesting to learn about the nature and environment in Latvia.
- **Haukur Óli Sævarsson**
- I was excited about the history of Latvia and Europe. This trip was very good and I enjoyed new things. Very glad for the trip.
- **Jón Hannes Isaac Björnsson/Fowler**
- Most surprising was the long walk in the wetlands and the nature. On our way home we had McDonalds.
- **Flóvent Bjarni Marinósson**

C5 mobility to Czech Republic

May 14th -19th 2023

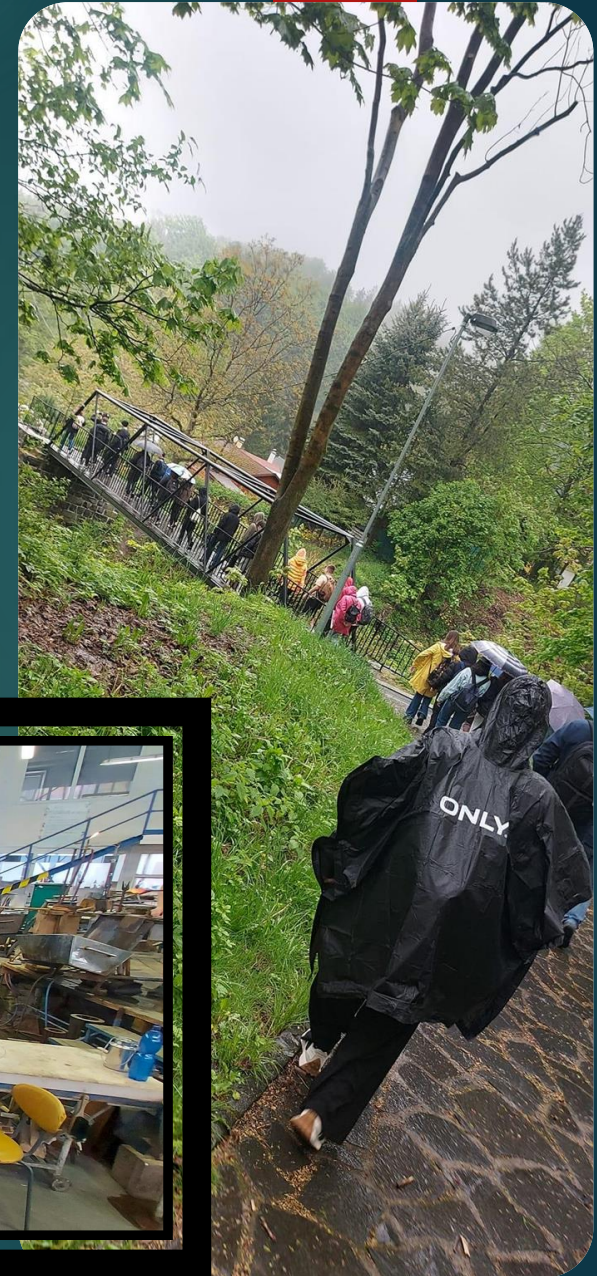

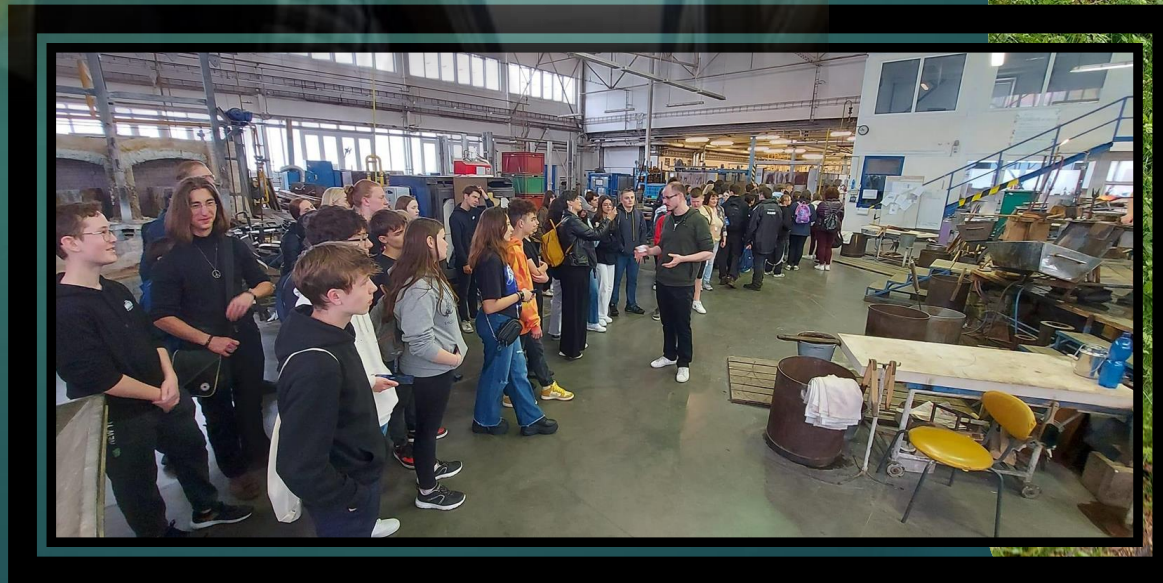

- Fifth and last mobility
- Five students and two teachers
- Arriving in Prag and driving to Kamenický Šenov
- Meeting host families

- Ecological day, visiting a museum and learning about Uranium mining
- Beach activities: Zip lining, games, and enjoying sun and sand
- Farewell party

Day 5 in Kamenický Šenov May 19th 2023

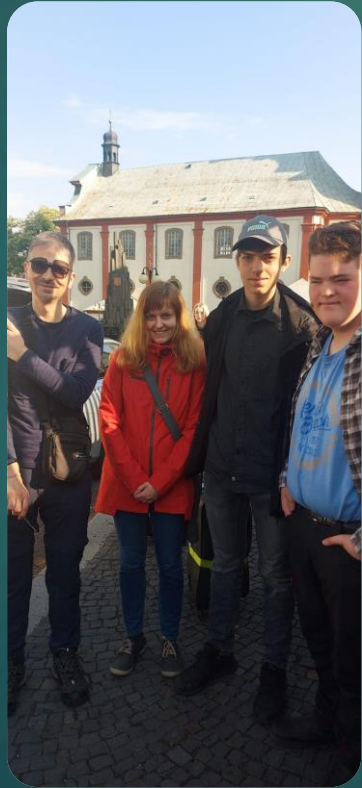

- Arriving at Panská škola for a walk and/or scooter ride
- Seeing the Fire Museum
- Photos and videos from the week
- Certificates and a final goodbye

- Last and final trip back home
Saying goodbye to families
Short visit to Prag
Dinner in Vienna
Then home to Borgarfjörður

May 20th 2023, On our way home after last mobility

Reflection about the Czech Republic

- I had the best time learning new things and having the experience in a new country.
- **Sólveig Kristín Borgarsdóttir**
- I have visited this country before but always with parents and visiting friends. This visit was different and educational for me. I learned about uranium, mining, nature and so many other things. I think every student should have such an opportunity.
- **Sigurjón Geir Eiðsson**
- Now I know how another country looks like. This was difficult but also fun.
- **Jón Bjarni Guðmundsson**
- I met so many new friends. Trying new things and learning about nature, recycling and glass during the visit.
- **Kristín Karlsdóttir**
- The glass factory was very new to me. I had the best host family and they showed me lots.
- **Guðmundur Bragi Borgarsson**
