

STEAM LESSON PLAN

Subjects:

Target audience:

Duration of the lesson:

Lesson topic:

The lesson was developed by:

Previous knowledge:

Planned outcome for the student:	
---	--

	Course of the lesson: steps to be taken, specific activities, tasks for students:	Methodological comments for teachers:
Lesson warm-up / introductory task		

Review of previous knowledge (if planned)		
--	--	--

Whats the problem ?		
----------------------------	--	--

Brainstorming ideas and choosing solutions		
---	--	--

Planning		
-----------------	--	--

Creating and trying out		
--------------------------------	--	--

Improving		
------------------	--	--

Reflection		
-------------------	--	--

Evaluation (if planned)		
--------------------------------	--	--
